

HOST HOTEL INFORMATION

The following are the recommended hotels for the 2010 Esso Golden Ring Tournament. Arrangements have been made with each of these facilities to allow teams to cancel bookings up until December 15, 2009 (once teams have been notified of acceptance), and to allow teams to adjust their Thursday night bookings until January 10, 2010 (after the schedule is completed).

Your exclusive use of these hotels would be greatly appreciated, as they are financially supporting the tournament based on the number of rooms used in each facility.
